Certification of Health Care Provider for Family Member’s Serious Health Condition
(Family and Medical Leave Act)

SECTION I: For Completion by the EMPLOYER

INSTRUCTIONS to the EMPLOYER: The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protections because of a need for leave to care for a covered family member with a serious health condition to submit a medical certification issued by the health care provider of the covered family member. Please complete Section I before giving this form to your employee. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees’ family members, created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files.

SECTION II: For Completion by the EMPLOYEE

INSTRUCTIONS to the EMPLOYEE: Please complete Section II before giving this form to your family member or his/her medical provider. If requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. Failure to provide a complete and sufficient medical certification may result in a denial of your FMLA request. Your employer must give you at least 15 calendar days to return this form.
